Safety and contact

CAUTION - Small parts

Eyelets are small parts and can be swallowed. Keep the eyelets out of the reach of children. Not a toy.

CAUTION - Risk of injury during processing

Process eyelets only with the appropriate device and follow its operating instructions. Keep fingers away from the device’s working area.

NOTICE - Suitable eyelets

Use only eyelets approved for your device. Incorrect eyelets can damage the device and the document.

Care, storage and disposal

Store in a dry place. Dispose of eyelets through metal collection; separate packaging by material.
