NOTE / TIP	Helpful information on use.

Safety information

CAUTION - Risk of injury

Risk of puncture, crushing and injury from ejected staples or fasteners! Never point the tool at people or animals. Keep hands and fingers clear of the outlet and working area, and fire the staple gun only against the workpiece.

NOTICE - Loading and maintenance

Use only the staples, brads or pins intended for the particular tool. Before refilling, clearing jams, cleaning or maintenance, secure the tool against unintended operation.

CAUTION - Check the substrate

Before fastening, check for cables, pipes or other hidden hazards in the substrate.

NOTICE - Device condition and storage

Do not use tools that are damaged, jammed or not functioning properly. Keep away from children and unauthorised persons!
