Kangaro EP-20 eyelet pliers

Product information and safety information

Item no. 10372

Item

Item no.	Description	GTIN
10372	Kangaro EP-20 eyelet pliers	4260606872135

Brand: Kangaro · Item weight: 0.32 kg · Country of origin: India

Intended use

Hand-operated combination tool for punching holes and setting eyelets in paper, cardboard and plastic. Use with suitable eyelets to bind and reinforce smaller stacks of documents. The thickness that can be processed depends on the material and the eyelet used.

Product data and contents

Eyeleting capacity: up to 20 sheets (80 g/m²) · Hole diameter: approx. 4.5 mm
Edge distance: adjustable, approx. 0.5-1.0 cm
Contents: pliers and 100 gold-coloured MEP30-3,2 eyelets

Legend - information and symbols

CAUTION	Possible risk of injury.
NOTICE	Possible damage to property.
NOTE / TIP	Helpful information on use.

Safety information

CAUTION - Risk of crushing and puncture injuries

When squeezing the handles, keep fingers and hands away from the punch, eyelet-setting tools and joints. Do not touch the tool tips.

CAUTION - Small parts and children

Eyelets are small parts that can be swallowed. Keep the pliers and eyelets out of reach of children. Not a toy.

NOTICE - Suitable eyelets and material thickness

Use only eyelets suitable for the EP-20 and the stack thickness. The capacity of up to 20 sheets applies to 80 g/m² paper. The supplied MEP30-3,2 eyelets are intended for smaller stacks. Stop if resistance is high; do not force the tool.

Care, storage and disposal

Clean with a soft, dry cloth and store in a dry place. Clear jams only when the tool is not being operated. Do not continue using damaged pliers. Dispose of the tool and eyelets through metal recycling or a recycling centre; sort packaging by material.
