Product information and safety information

Image to follow

Item no. 10130

Item

Item no.	Description	GTIN
10130	REGUR® ET-11 electric stapler for type 11 staples	4001973018685

Item weight: 1,65 kg

Intended use

Electric stapler for fastening fabrics, leather and film to wood and for furniture-making work. Use only with type 11 flat wire staples approved for the device and for the applications intended by the manufacturer.

Care, storage and disposal

Keep the device clean and dry and store it in a dry place. Take it to a designated collection point for waste electrical equipment; do not dispose of it with household waste or scrap metal. Separate packaging by material.

Legend - information and symbols

CAUTION	Possible risk of injury.
NOTICE	Possible damage to property.
NOTE / TIP	Helpful information on use.

Safety information

CAUTION - Risk of injury

Risk of puncture, crushing and injury from discharged staples or nails! Never point the device at people or animals. Keep hands and fingers away from the outlet and fire the tool only against the workpiece. Use only approved staples or nails.

CAUTION - Power supply and maintenance

Unplug or disconnect the power supply before changing the magazine, clearing jams, cleaning or maintenance. Do not use damaged cables, plugs or devices; keep away from children and unauthorised persons!

CAUTION - Work environment and substrate

Do not use in damp conditions or near flammable or explosive substances unless the device is expressly suitable for this. Before fastening, check the substrate for concealed cables, pipes or other hidden hazards.
